

ACM Montréal is about...

... sharing our passion for obstetrics and gynaecology

As part of this five-day program, you will hear from influential and internationally-renowned scientists and clinicians presenting on topics from various fields in ob/gyn, and you will see an improved abstract schedule and adjusted program for BPS and PG sessions.

... social networking

Mingle, meet, catch up, laugh, learn and enjoy at ACM 2010's social functions:

- Opening Reception – Thursday, June 3
- Evening Event with the band Lost Fingers – Friday, June 4
- Resident Fun Night – Saturday, June 5

... life-work balance

Stroll the cobblestones of Old Montréal, explore the Botanical Garden, hike through scenic Mount Royal Park, let your taste buds savour the craft of quaint microbreweries and gourmet kitchens — enjoy the variety of activities that this multicultural hub has to offer.

Children's Camp

The subsidized camp will cost \$30 per day for the five day program, which will include many activities such as the Biodome, Museums, and active play centres. For further information, please contact Gerri-Lynn Sendyk at glsendyk@sogc.com
